HOME & INDUSTRIAL SOLUTIONS
CATALOGUE

Our product **promise**

INGWE means a Leopard, which is a strong animal that is part of the Big 5. Its strength is our product promise to you. A strong, durable quality product which will stand the test of time.

We encourage cleaning up and of the communities and the environment initiatives, as well as the correct disposal of waste in its various form. For our part, our 2022 mantra for these initiatives is:

#PickIt #Dobha #Nhonga # Bweza #Doba

ECO **promise**

Taking care of our environment for future generations is an integral part of our business thus, most of our products are made from recycled material we buy from our communities.

Care & Keeping

- Our range of plastic ware is made from both virgin and recycled material, requiring that they be stored in a cool place and away from high temperatures.
- Our kitchen plastic ware is designed for serving of hot or cold food.
- Our Kitchenware is not microwavable but refrigerator friendly.

Treger Plastics has a wide range of user friendly practical, quality plastic ware, designed to suit any household and lifestyle.

Our range comprises of:
